Notes:

Young Leaders - We cannot function as a ministry without our young leaders. Make sure you are encouraging them, helping to train them, and building relationship with them. We now have over 70 young leaders actively serving in The Kids' each month. Encourage all elementary young leaders to attend Awana on Monday nights. Make sure all middle school leaders are attending an age appropriate class (68, seven, or

adult worship experience) once every week in addition to serving. Keep your eyes and ears open for opportunities to build their leadership skills. Take time to teach them how to do tasks you could do yourself.

The theme of the summer is discipleship. Every event is about knowing Jesus and sacrificing to follow him. Through Awana, Kidfest & Waterdays at the Park we are reaching out to bring in new families and develop a culture of family involvement in church. No one is too young to take up their cross and follow Jesus. The Kids' is teaming with families to get kids excited about God and church, equip them with scriptural knowledge to handle life's questions, understand and grow their relationship with Jesus Christ and have boldness to share the gospel in a dynamic way.

5th Grade Graduation Pool Party – We are no longer accepting RSVP's. Pastor Jabin and his leadership team will be present to meet with parents and children.

Summer Concert – [Sean W. Smith](#) is performing at the 9:30 & 11:30 am services this Sunday morning at the 7Hills campus.

For summer event details: see www.thekidslv.com or pick up touch cards in the kids hallway at any check-in kiosk.

Awana – Make sure to continue to push this all summer long. We have 30 children pre-registered and will have open enrollment all summer long. If you know of an elementary child that would like to attend, have them pre-register at www.thekidslv.com. Pre-registration is not required but highly recommended. If you are interested in volunteering for Awana...SHOW UP ON MONDAY!

Kidfest (Pandamania) – IT'S COMING! Email me if you are available to volunteer.

Waterdays at the Park – Fun for the whole family! Make plans to be there and bring everyone you know.

Backpack Drive – Start buying backpacks and school supplies now. We will be collecting them throughout the month of August.

Fall: Special Needs Program – Please provide any materials or information that might make this helpful. We are looking for people that are interested in working with families and children with special needs. Email me if you have any info or interest.
